Foreword

This year each letter in CAVALCADE represents a portion of almost everyone's high school career. The C stands for the Controllers, teachers who have taught us through the years. A, Achievers, the seniors who will be leaving this year, some to continue their educations elsewhere, and others who will begin making their fortunes. V, Venturers, the juniors who will comprise the senior class next year. A, Advancers, the sophomores who have added much to this year with their school paper. L, Learners, the freshmen who must learn much during their next few years at Drexel. C, Challengers, the eighth graders who are just arriving at that point in life when they must challenge themselves and their classmates to higher learning and a different kind of life. A, Activators, the various clubs and organizations that make possible the many activities for all types of personalities and abilities. D, Defenders, the athletes of Drexel who defend our school in a manner of skill and sportsmanship. E, Encouragers, the people and firms that make possible the publication of this edition of the CAVALCADE.
